

Visitation Record

Case Name:

Time of Visit:

Caseworker:

Date of Visit:

Observed By:

Who attended the visit?

Was anyone late or absent?

How did the parents and child greet one another?

Reaction after the visit?

Did you notice any strengths or weaknesses of the parents?

Were the parents and children clean and dressed appropriately?

Did the parents bring anything for the children?

Please give detailed notes on what happened during the visit.

Did the parents discipline the children?

If so, was it appropriate?

If yes, describe the behavior of the child, the discipline used, its effectiveness, the child's reaction and the parent's reaction.

Additional Notes/Comments:
